

Buy American Act Compliance

JH American Enclosures LLC declares and confirms that the Handholes, as sold to _____ in the United States of America, comply with the following provisions:

- A. The whole production of the Handholes is done in The United States of America and the final manufacture is completed in the United States of America.
- B. The cost of United States and Mexico's components within the Handholes is more than 60% the total cost of all components utilized within the Handholes.

The above facts qualify JH American Enclosures LLC Handholes as meeting the Buy American Act requirements.

2022 BAA defines the following provisions:

- 1. Any product that is manufactured in the United States or any eligible country.
- 2. The product contains components manufactured in the United States or any eligible country consisting of more than 60% of the total cost of all components used in the product.
- 3. An eligible country is any country that the United States Trade Representative determines as having corporations located therein.
